

PRIVACY POLICY

Last Revised: May 24, 2018

Software Quality Systems S.A. and its subsidiaries (“**QA&TEST**”, “**we**”, “**us**”, or “**our**”) know that you care about how your information is used and shared, and we take your privacy seriously. SQS’s Privacy Policy describes our practices and policies regarding the personal data that we collect from individuals who visit SQS’s website (located at www.sqs.es) and interact with SQS online, and from SQS Products and related services (including support and education) offered by SQS (the “**Services**”).

Personal Data SQS Collects

We may collect data, including Personal Data (as defined below), about you as you use our website and Services and interact with us. “**Personal Data**” means any data relating to an identified or identifiable individual, including, for example, your first and last name, email address, and phone number.

Personal Data You Provide to SQS

You may provide us with certain categories of Personal Data when you:

- Complete and submit forms on our website
- Download white papers or other SQS content
- Register for webcasts, seminars, conferences, etc. sponsored by SQS or a partner
- Subscribe to our newsletters or other SQS content-related materials
- Register for support, courses, training or education
- Provide us with feedback or contact us via phone, email, social media or otherwise
- Participate in a survey
- Submit a job application via our website
- Use community forums on our website
- Purchase SQS Products or Services.

Personal Data Collected Automatically

SQS’s website uses automatic data collection tools, such as cookies and web beacons. These tools automatically collect the following:

- Technical information including, but not limited to, browser type, operating system, device information, IP address, domain name, referral URL, time zone setting, and/or a time-stamp for your visit.
- Usage information including, but not limited to, geographic location information (such as your country or state), the numbers and frequency of visitors to our site, page views, unique page views, video views, form conversions, and your clickstream behavior (e.g. clicking links to, through and from our website).

How SQS Uses Personal Data

SQS uses the Personal Data we collect for two main purposes: (1) to operate our business and provide the Services, and (2) to send communications, including marketing communications. For example, we may use Personal Data to:

- Respond to your requests and questions for certain products and services
- Administer and provide our website and Services
- Customize the content and advertising you see on our website
- Communicate with you about specials, sales offers and new products
- Send notifications regarding to our company, Services and changes to our terms and conditions

Data Collected for SQS Customers

Our Services are offered and designed primarily for use by organizations. When a Customer purchases, uses or subscribes to our Products, or obtains support for such products, SQS collects certain categories of data (each as defined below) that may include Personal Data in order to provide the Services:

“Administrative Data” is data related to employees or representatives of Customer (each an **“Account Administrator”**) that is collected and used by SQS in order to administer or manage SQS’s delivery of the Services, or the Customer’s account. Administrative Data may include Personal Data such as the first and last name, email address, professional title, company name, address, city and password an employee or representative of Customer provides.

SQS uses Administrative Data to contact Account Administrators to provide information about a Customer’s account, subscriptions, billing and updates to the Services, including information about security, support and maintenance.

“Payment Data” is data related to Customer’s financial health that a Customer provides to SQS in connection with making a purchase or entering into an agreement for Services.

SQS uses Payment Data to complete transactions, as well as to detect and prevent fraud.

Disclosure of Personal Data

SQS may share Personal Data with third parties for the purposes described below:

- **SQS Affiliates and Subsidiaries:** we share Personal Data among SQS-controlled affiliates and subsidiaries.
- **Vendors and Agents:** SQS may share Personal Data with SQS’s contracted vendors and agents working on our behalf to provide Services, including performing customer support and cloud service providers such as storage providers. In such cases, these vendors and agents must abide by our data privacy and security requirements, are not allowed to use Personal Data they receive from us for any other purpose, and we require them to agree to maintain the confidentiality of Personal Data.
- **Channel Partners:** SQS has an extensive network of channel partners who help us sell and deliver our products and services. SQS may share Personal Data with our channel partners for purposes of selling and providing products and services to you. SQS may also obtain certain

Personal Data about you from our channel partners when you purchase products and services from such channel partners. SQS requires its channel partners to comply with applicable law regarding the Personal Data that we provide to them. Please note, however, that you may have a separate agreement with a channel partner that will control that channel partner's use of your Personal Data, in which case this Privacy Policy does not apply to the information held by that channel partner.

- **Suppliers:** Certain SQS products incorporate software provided by third party suppliers. In some cases SQS may be required to report on sales of such products incorporating such software to those third party suppliers, and this reporting may include your Personal Information solely to the extent needed to document such sales. SQS requires its third party suppliers to treat any such information as confidential.
- **Business Transfers:** In some cases, we may choose to buy or sell assets or become involved in a merger, acquisition or similar transaction. In these types of transactions, customer information (that may include Personal Data) is typically one of the assets that is transferred.
- **Protection of SQS and Others:** We may disclose or share Personal Data and other information, if we believe in good faith that such disclosure or sharing is legally required, or is necessary to protect our legal rights (including, but not limited to, our intellectual property rights and enforcement of our agreements), the legal rights of others, or the safety and/or security of SQS, our employees, our customers, or other users.

Accessing and Managing Personal Data

SQS offers choices regarding the collection, use and sharing of Personal Data. You may manage your receipt of marketing and non-transactional communications by following the directions in that communication. You can also cancel your subscription or modify your data by sending an email to info@sqs.es. SQS retains Personal Data for as long as your account is active or as needed to provide you Services as well as is necessary to comply with our legal obligations, resolve disputes and enforce our agreements.

Transfer, Processing and Storage of Personal Data

SQS is a global company with partners and customers located in many different countries around the world. Personal Data collected by SQS may be stored and processed in the United States or anywhere SQS or its affiliates, subsidiaries or service providers maintain facilities. SQS transfers Personal Data from the European Economic Area and Switzerland to other countries globally. When we do so, we use a variety of lawful transfer mechanisms, including contracts, to comply with applicable law.

Security of Personal Data

The security of your Personal Data is important to us. SQS implements administrative, physical, and technical safeguards to protect your Personal Data from unauthorized access, use, modification, or disclosure. Please be aware that no security measures can wholly eliminate security risks associated with Personal Data; keep this in mind when disclosing any sensitive information to us. Please do not disclose your website login credentials to unauthorized users. You are responsible for the security of your login credentials and for any activity that occurs under your account with us. If SQS learns of a breach of its systems, we may notify you and others in a manner that is consistent with applicable law and/or as agreed by us in writing.

Retention of Personal Data

SQS retains Personal Data for as long as necessary to provide the Services, to comply with our business requirements, legal obligations, resolve disputes, protect our assets and enforce our agreements.

Links to Third Party Websites

SQS may provide links to other third-party websites and services that are outside our control and not covered by SQS's Privacy Policy. SQS is not responsible for the privacy practices or the content of such websites. We encourage you to review the privacy policies on any website you visit whether linked to or not.

Public Forums

SQS offers individuals the opportunity to interact and publish content via discussion forums, blogs, and other means on our website ("**Online Communication Tools**"). If you use such Online Communication Tools, any information that you disclose becomes publicly available, and could be used to contact you, to send you unsolicited messages, or for purposes neither SQS nor you have control over. Your use of certain Online Communication Tools may be subject to additional terms and conditions. SQS is not responsible for the Personal Information or any other information you choose to submit or publish via these Online Communication Tools.

Collection of Data From Children

SQS does not knowingly collect Personal Data from individuals under the age of thirteen (13) or the applicable age of consent in your country. If you believe that SQS may have collected Personal Data from someone under the applicable age of consent, please email info@sqes.es.

Contact SQS

If you have any questions, concerns or comments about SQS's Privacy Policy, please contact SQS via email at info@sqes.es with the words "PRIVACY POLICY" in the subject line.

Updates

SQS may update this Privacy Policy from time to time. If we make changes to our Privacy Policy, we will post the revised version [here](#), with an updated revision date. If there are material changes to our Privacy Policy or in how SQS will use Personal Data, we may provide notification by other means prior to such changes taking effect, for example, by posting a notice on our website or sending you a notification. Your use of SQS's website and Services following these changes means that you accept and agree to the updated Privacy Policy.
